JULY

JOURNEY OF DIPSMUN

Model United Nations (MUN) is an academic simulation of diplomatic decision making. It provides an opportunity to the partakers to engage in constructive debates and find sustainable solutions to pressing world issues. It challenges students to take on new perspectives and prepares them to accept the leadership role at the world stage- a vital necessity for today's youth.

The journey of DiPSMUN began in the year 2013 with the grand success of our first conference. Since then organizing MUN annually has become an integral aspect of our school calendar. Undaunted by the very challenging global pandemic, we successfully hosted three editions of the conference. This year we are back with the twelfth edition of DiPSMUN to be held in the school premises, with six exciting committees. We extend a warm invitation to all the schools of Bangalore to participate in DiPSMUN 2024.

MESSAGE FROM PRINCIPAL

Dear students,

“Our mission in this new century is clear. For good or ill, we live in an interdependent world. We can't escape each other. Therefore, we have to spend our lives building a global community of shared responsibilities, shared values and shared benefits. We believe that equity and inclusion are the cornerstones of a TRUE DEMOCRACY in which the worth and dignity of every person is valued.”

It gives me immense delight to invite you to the twelfth edition of DiPS Model United Nations, 2024, where the focus is on clarity and deliberation on global issues. When the youth of a country are empowered, it facilitates the ability to make informed decisions and catalyzes a nation's progress, development and peace. Model United Nations is an educational simulation of the United Nations wherein students who participate will embark upon a life – changing journey that will help them develop confidence in leading others, become aware of global issues, engage in discourse with peers and draft policies to make the world a better one! It all starts here – with a dream to make a difference!!

Dear children, the power you hold is enormous; you are the change makers. The role of an international delegate necessitates a deep understanding of the United Nations as an organization and its functionality in making our world a better place. At DPS Bangalore South, we strive to foster this knowledge and also endeavor to facilitate transversal skills like perceptive thinking, team work, diplomacy, complex problem solving and effective communication.

Yours sincerely,
Anitha Bijesh
Principal

SECRETARY GENERAL'S ADDRESS

Dear Delegates,

It gives me immense pleasure to invite you to the 12th edition of DiPSMUN hosted by Delhi Public School Bangalore South. As an alumnus of DPS Bangalore South, I have had the privilege of being associated with DiPSMUN in various capacities, including as a delegate. DiPSMUN has played an integral part in my personal and professional development, and I hope that each of you can experience similar growth through your participation.

DiPSMUN has seen humble beginnings and reached incredible heights from there. It started out as a small intra-school event and its latest offline edition in 2019 saw over 550 delegates in attendance from all over the country. It is now a flagship event of DPS South that is eagerly anticipated by students and teachers alike, bringing along a wave of excitement, enthusiasm and passion. DiPSMUN 2024 brings to you new committees, explores new frontiers and will feature deliberations as intense as ever.

The first step to inducing change is to know what changes are necessary and how they can be facilitated. Learning to work with your peers, crossing geopolitical hurdles together and putting your point across amidst chaos are requisite skillsets that MUNs have been building for years and its importance cannot be ignored. It is critical that now, more than ever, we acknowledge the state of the world as it is.

“A speech is about politics, about order, brotherhood, and power. But speeches are for campaigning. Now is the time for action.” – Rick Sanchez, Rick and Morty

The need to address pressing issues that pose a threat to global peace and internal security is greater than ever and it is time for you to step up and take charge. Be prepared for a learning experience unlike any other and be sure to bring your A game delegates, because you are going to need it.

Shreyans Karan Parakh
Secretary General, DiPSMUN 2024

UNITED NATIONS SECURITY COUNCIL

UNSC

**AGENDA: DISCUSSING THE
AEGEAN SEA DISPUTE**

DiPSMUN 2024

"You can't kill your way to success in a counter insurgency effort. You have to protect the people, get the civil military balance right, train the locals, and practice effective strategic communications."

-James G. Stavridis

The Aegean Sea dispute primarily involves Greece and Turkey, centering on issues of sovereignty and rights over territorial waters, airspace, and natural resources in the Aegean Sea. Key points of contention include the delineation of territorial waters, where Greece seeks to extend its waters from 6 to 12 nautical miles, which Turkey opposes, fearing it would limit its access and control. Additionally, both nations dispute the airspace, with conflicting claims over Flight Information Regions (FIRs) and national airspace limits. The dispute also encompasses the continental shelf and Exclusive Economic Zones (EEZs), particularly regarding rights to explore and exploit underwater resources like oil and gas. Historical tensions, national pride, and strategic interests compound the complexity of these issues.

Over the next three days delegates will have to navigate through these complexities and strive for a resolution.

SOCIAL, CULTURAL AND HUMANITARIAN COMMITTEE

SOCHUM

**AGENDA: COMBATING YOUTH
RADICALISATION IN THE MIDDLE
EAST AND NORTH AFRICA
(MENA) REGION**

DiPSMUN 2024

“We cannot always build the future for our youth, but we can build our youth for the future.”

-Franklin D. Roosevelt

Adolescence can be a time of great opportunities, as youth transition from childhood to adulthood and prepare for the responsibilities ahead, including their livelihood, family obligations and productive engagement with their communities. However, among the many communities in the Middle East and North Africa (MENA) that are disrupted by conflict or impoverishment, opportunities for youth can be severely limited. Recent political and demographic factors have exposed the vulnerability of many segments of the civilian population in the MENA region. These vulnerabilities are driven by the expansion of regional conflicts and mass population displacement in urban settings.

As delegates of SOCHUM, you must address important social development questions and aim to understand these drivers of radicalisation as it's the first step to stopping its rise.

HISTORIC DISARMAMENT AND INTERNATIONAL SECURITY COMMITTEE

HDISEC

**AGENDA: DISCUSSION ON THE
KHYBER PAKHTUNKHWA
INSURGENCY WITH PARTICULAR
REGARD TO PROXY WARFARE**

Freeze Date: 1st December, 2011

DiPSMUN 2024

"My father always says that heroism is in the Pashtun DNA."

-Malala Yousafzai

The Pashtun Insurgency, primarily centered in the border regions of Afghanistan and Pakistan, involves various armed groups seeking to challenge government authority and influence. This conflict has deep historical, ethnic, and geopolitical roots, with significant implications for regional stability and global security. Understanding the dynamics of proxy warfare within the context of the Pashtun Insurgency is crucial for identifying potential avenues for resolution. You as delegates of HDISEC can step into the heart of the Pashtun Insurgency, uncover the layers of proxy warfare, where external actors shape the course of battle, leaving communities caught in the crossfire and once again strive to bring stability in the region.

This HDISEC isn't just about geopolitics; it's about lives disrupted, futures uncertain, and the urgent need for diplomatic solutions.

ALL INDIA POLITICAL PARTIES MEET

AIPPM

**AGENDA: REVIEWING THE
ELECTION LAWS IN INDIA WITH
SPECIAL REFERENCE TO
ANTI-DEFECTION LAW AND
APPOINTMENT OF CHIEF ELECTION
COMMISSIONER**

DiPSMUN 2024

“Defections made parties concentrate power in the hands of party leaders. However, anti-defection law and whips have reduced parliamentary debates to formal records. While members across parties may agree with each other, they cannot express it in Parliament.”

-Shashi Tharoor

The Tenth Schedule of the Indian Constitution, also known as the Anti-Defection Law, discourages legislators from switching political parties after being elected. This law aims to promote stable governments by preventing elected officials from defecting to another party. Additionally, stringent measures were introduced to streamline electoral laws, ensuring integrity and impartiality in the electoral process. Concurrently, adjustments to the appointment process of the Chief Election Commissioner aimed to foster transparency and meritocracy in selection.

AIPPM endeavours to harmonize the principles of justice and progress, charting a course for a more equitable and resilient future.

CONTINUOUS CRISIS COMMITTEE

CCC

**AGENDA: DISCUSSING THE
ISRAEL-IRAQ WAR WITH SPECIAL
REFERENCE TO THE USE OF
MISSILE TECHNOLOGY**

DiPSMUN 2024

“When written in Chinese, the word ‘crisis’ is composed of two characters. One represents danger and the other represents opportunity.”

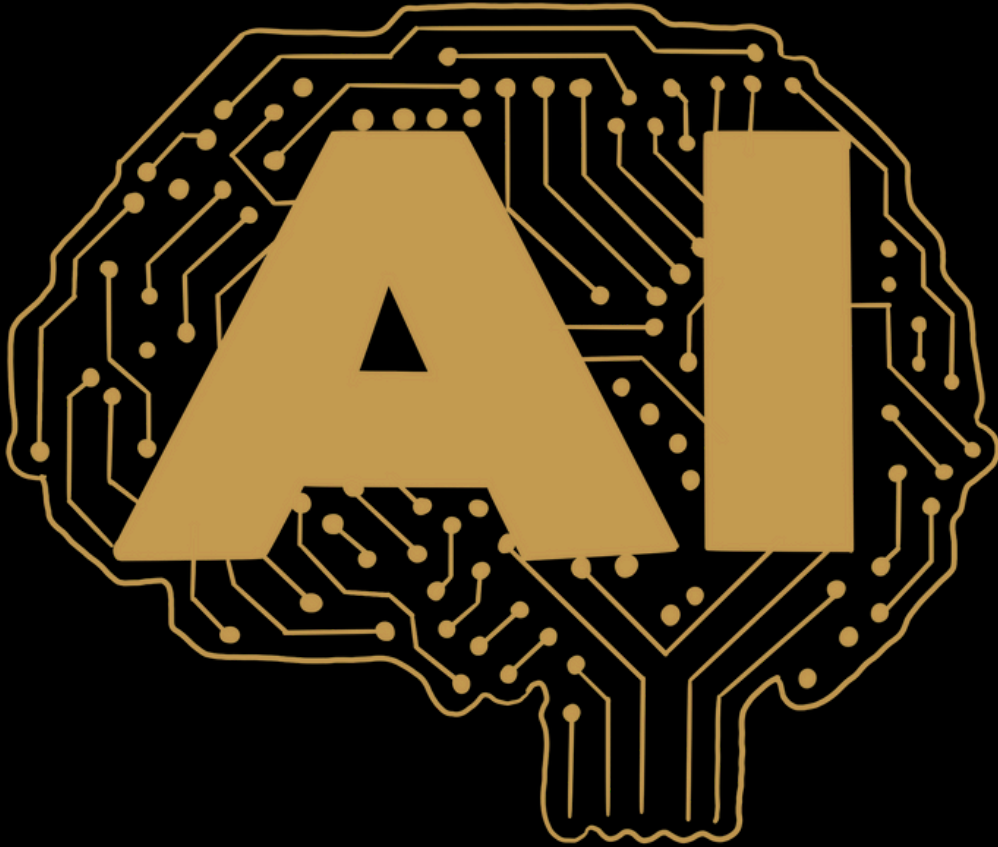

- John F Kennedy

In a futuristic continuous crisis committee, the scenario of an Israel-Iraq war where Israel refrained from utilizing advanced missile systems creates a dynamic and complex simulation. With Israel as the unexpected victim of an attack, the committee members must navigate intricate diplomatic, military, and humanitarian challenges in real-time.

The absence of advanced missile defence technology reshapes the strategic landscape, demanding innovative approaches to conflict resolution and ensuring the security and stability of the region. This simulation offers delegates an opportunity to exercise crisis management skills in an evolving and unpredictable scenario, exploring the ramifications of technological choices in future conflicts.

BILDERBERG CONFERENCE

BILDERBERG

**AGENDA: DEFINING THE
LEGAL AND ETHICAL
BOUNDARIES OF AI, WITH
SPECIAL REFERENCE TO ITS
INTEGRATION INTO SECURITY
AND DEFENCE**

DiPSMUN 2024

"AI is a mirror, reflecting not only our intellect, but our values and fears."

- Ravi Narayanan

Founded in 1954, the Bilderberg Committee has grown into a significant platform where world leaders, business magnates, and policymakers convene to discuss pressing issues, such as the advancement of artificial intelligence (AI). Currently, the group leads discussions on the ethical implications, legal frameworks, and international collaboration in AI research and development, recognizing its substantial and escalating impact, akin to kindling, potentially sparking the next world war.

The Bilderberg Conference is responsible for shaping the trajectory of artificial intelligence by leveraging its influence on international agreements, fostering cross-border collaboration, and steering policy initiatives.

RULES AND REGULATIONS

- o The dates of the conference are the 10th, 11th and 12th of July, 2024. Registrations are open for students of grades VIII-XII.
- o The registration fee is ₹1,200/- per delegate as part of a delegation and ₹1,300/- for an Individual Delegate.
- o The minimum number of delegates required for a delegation is 6. Each person can only be part of one delegation.
- o The last date of registration is 26th June, 2024.
- o During the conference participants must be dressed in an appropriate manner, with the dress code of western business formals (unless specified otherwise).
- o Electronic devices such as phones, laptops and tablets are allowed. However, use of the internet in committee is not allowed.
- o Use of unparliamentary language during the conference is prohibited. Delegates should exhibit exemplary behaviour.
- o Any incident of bullying or harassment will lead to immediate disqualification.
- o The decisions of the secretariat and executive board are final and binding, and all participants are required to respect the same.
- o By registering, the participants are agreeing to the aforementioned rules. Any violation of the rules and regulations may lead to disqualification and expulsion from the conference.
